Local Happenings

Dick Wolfe purchased a new Ford Coupe from King Motors on Saturday.

C. F. Tollestrup and Co. were in Lethbridge on Saturday last.

Mrs. T. Geo. Wood and children were Lethbridge visitors on Saturday afternoon.

Royden W. Low and family of New Dayton spent part of Sunday with Mr. and Mrs. S. E. Low and family.

The Married Folks Dance was a decided success despite the small attendance.

Mrs. Lorn Larsen is still ailing. Her many friends are wishing for her speedy recovery.

Paul Hester, known to many Raymond people has been visiting here for a few days.

Miss Delvoir Meldrum is home after a ten days vacation during which she visited Calgary and Edmonton.

Coyote hunting is a favorite sport these days and quite a number are being captured around the district.

Christmas goods are appearing in store windows and the usual Santa Claus stories and queries are having their innings.

Overshoes, mitts, sweaters and leather coats were much in demand Monday after the Mercury took a nose dive over Sunday.

The gravel drive is still going on and we hope the public spirit of the citizens will be sufficient to finish the gravelling of Broadway this fall.

Percy Poulsen of the Sugar Service Station spent the week-end in Magrath. Percy was recently married and his many friends wish he and his wife much joy.

Up to Tuesday night 332 loads of gravel had been put on Broadway. A few were hauled Wednesday but the day was pretty cold and not many were on the job.

Wednesday morning was pretty nippy, more because of the wind from the north than the cold. Fur caps, overshoes and furline shoe laces have been very fashionable apparel this week.

Folks, Christmas is approaching. You will surely need some Exclusive Personal Greeting Cards. Our shop offers a splendid assortment and it is the logical place to purchase these. Come in soon and avoid disappointment and delay.

Mayor Cope says the trucks will have a chance as soon as the weather moderates a little and we hope they get in a few full days and take the gravel at least past the block where the 2nd Ward Chapel is. Everybody! Lets go.

Geo. Laycock, who is living in Lethbridge this winter spent a couple of days in Raymond last week.

The High School Dance in the Gym last Friday evening was well attended and the young people had a very enjoyable time. Music was furnished by Kadadian Kids.

Don't burn your silver paper. Give it to Bill Rouse or leave it at this office and it will be sent to the Shrine Orphanage at Winnipeg, which institution disposes of the paper to get money to keep it going. Local men are merely asking for this to help out a good cause. Will you do your part?

A very enjoyable birthday party was held at the home of Jas. Meeks this week in honor of Rex Meeks. A delicious birthday supper was served and the evening spent in games and music. The guest of honor received a number of lovely gifts from his friends. Those present were:—Misses Delvoir Meldrum, Thekla Smith, Gerlie Dahl, Leola Terry, LaRue Meeks, and Messrs. T. C. McBeath, Edwin Palmer and Ray Stevens of Barnwell, Wm. Fairbanks and the guest of honor.

THE MIRAGE OF EASY WEALTH

Amouth ago there were thousands of people scattered throughout the United States who referred with pride to their handsome profits in the stock market. Today a large proportion of them look back with regret that they ever joined that army, numbering in the millions, who believe there are easy profits to be had from security speculation. Within the last six weeks thousands of traders have lost not only the profits which they had accumulated, but as well a substantial portion, if not all, of their original capital. This has all come about from the fact that the last month and a half witnessed four liquidations on the stock market, the most severe of which was the third week, and during the sharp breaks in stock prices many people who trade on a margin have been unable to meet the calls of their brokers for additional funds, with the result that their accounts have been closed out. The losses have aggregated several billions.

The unfortunate part of such periods of liquidation is that it hits hard on those least able to stand the loss. From time to time large speculators are caught in rapidly falling markets and are "wiped out," but the chances of this group surviving mad market reactions are very much better than are those of the small outsider who bases his trading upon "tips" and "hunches." The latter usually operates upon a small margin, and consequently at the first appreciable break of prices he either has to put additional funds into his brokerage account in order to maintain the stipulated margin, or else is sold out at a loss. Little wonder that when between September 3 and October 24 many stocks declined 30 to 40 per cent or more in value, thousands of such traders should find that their accounts had been liquidated, with resulting large losses to them.

Large traders, on the other hand, make a study of the stock market and the factors which are likely to influence it, just as the ordinary man studies his business. In some instances, it is true, the study appears rather superficial and insignificant, but nevertheless it serves a distinct purpose and gives these individuals a great advantage over the outsider. And of equal importance is the fact that the leading traders frequently have "inside" information upon which they are able to act to their advantage. The net result is that in the majority of cases the professional speculator is either "out of the market" when a major reaction comes, or else has so secured his holdings of securities that he has little fear of calls being made upon him for additional margin. In other words, the professional speculator is able to ride out the liquidation, and probably buy additional stocks when they are low, while the speculating shoe cobbler and his like go into the liquidation in an overloaded condition and sooner or later flounder and sink.

It is not to be supposed, however, that even the experts can always foretell a reaction in the market. Very far from it. The most expensive stock market economic service in the world would not assure one against being caught from time to time. Otherwise the element of risk would be eliminated from one of the most complicated and sensitive business activities in the world. It is obvious, nevertheless, that the opinions of experts are valuable, even though they are wrong every now and then, and it is just as foolhardy to ignore the constituents of the stock market and still expect to make money as it would be to begin the manufacture of automobiles without knowing anything about physics and mechanics. Doubtless until this truth is more widely recognized we shall continue to have the savings of thousands of individuals lost because they think they can "beat the market."—Christian Science Monitor.

NEW MUSKRAT REGULATION

Edmonton.—By order-in-council passed by the provincial government, all muskrat pelts taken south of the North Saskatchewan river under permit are to be forwarded to the game commissioner in Edmonton and sold through the government's fur marketing service.—Calgary Herald.

MEMORIAL FOR RAYMOND

(Too late for last week)

At the very successful Armistice Dinner held in the Club Cafe the Ex-service men expressed themselves as very strongly in favor of a Memorial for the town.

There is a deposit of \$375 dollars in the Bank for this purpose and a \$1,000 memorial is the aim of the local Ex-service men, and to this end the following executive was appointed to work on the proposition, W. Mel drum, P. H. Redd, Jack Mehew, and W. D. Mendenhall. They were appointed to meet with the Town Council and arrange for a site in front of the new Town Hall for the memorial.

A local G. W. V. A. organization was also effected with the following officers:—

Hon. Presidents—Wm. Meeks and O. R. Knight.

Pres.—Dr. G. W. Leech.

Vice Pres.—Mayor P. W. Cope.

Sec.—D. L. Gilbert.

Asst. Sec.—S. E. Dyson.

Executive—W. Meldrum, P. H. Redd, Jack Mehew and W. D. Mendenhall.

The evening was so successful that all were in favor of a greater number of similar evenings during the winter. The local Stewart-Warner Radio dealers kindly loaned a set to the Vets for the evening and the evening was made more pleasant by this.

A very enjoyable evening was spent at the home of Wilford Meldrum on Wednesday when the Orpheus Glee Club met there for a chicken supper and a short rehearsal. There was too much chicken, but everyone had a fine time and felt alright afterwards too about 21 sat down at the table.

The smoke stack was put up on the Opera House this morning and we are assured that the hall will be nice and warm for tonight's Chautauqua performance. The ticket sale has been good.

These frosty nights should be good for making ice. We hope to see a sheet started soon in the local rink.

Most men are musicians. At least they have learned to play second fiddle.

An animal with a third eye located at the top of its head has been discovered. It is undoubtedly nature's method of providing the pedestrian with a defence against the coming of congested airplane traffic.

"IS ZAT SO?" PAALS ARE BUDDIES IN "OH YEAH!"

PREMIER SHOWING IN WESTERN CANADA

Bob Armstrong and Jim Gleason in Pathé Comedy

"Oh Yeah!" Father's all-dialogue comedy based upon the Saturday Evening Post story, "No Brakes," by A. W. Somerville, brings together for the first time in pictures two notable actors who made such a tremendous stage success of "In Zat So!" Robert Armstrong and James Gleason.

With Gleason contributing the dialogue to "Oh, Yeah!", fashioned much along the smart crackling lines of the stage predecessor, the picture is a fine accomplishment of the wisecracking art and a worthy successor to its stage cousin.

"Oh, Yeah!" which will be presented at the Capitol Theatre Friday and Saturday is the story of two railroad boomers, brakemen who wander from one end of the country to the other working on any railroad that happens to be handy. Everything goes along "one with the buddies till they fall for a couple of "junes," and then the complications that set in result in one hilarious situation after another, spotted with the usual Gleason touch of pathos.

The feminine roles in "Oh, Yeah!" are portrayed by Patricia Caron, recruited from the musical comedy stage, and Zasu Pitts, whose droll humor has added to the entertainment values of some of the greatest motion picture successes in film history. Others in the cast are Frank Hagney, Bud Pine, Paul Hurst and Harry Tyler. The picture was directed by Tey Garnett.

SUMMARY OF A. A. A. MEETING

The meeting took up an entire day. Mr. J. P. Page, (Edmonton Grads), occupied the chair, owing to the ill health of the President, Mr. B. O. Hanlon.

A motion was passed early in the meeting that the incoming executive make another effort to locate the Gillette Trophy, and have it placed in the league again, failing which they were to endeavour to procure a cap somewhere else. The financial statement showed a healthy financial condition which was encouraging. The following important changes were made in the by-laws of the Association to become effective at once.

That two League divisions be made out of the present Junior and High School division as follows:—

High School League which shall be open only to bona fide High School teams as defined in the rules of the A. A. A. governing players.

Junior League, which shall be open to teams, except High School teams, which conform to the age limits and other requirements for Junior teams as set down in the rules of the A. A. A. governing players.

That before a Senior player can revert to the Intermediate division the approval of the Provincial Executive and the district organizer must be obtained.

That not more than two Senior players, as players who have played Senior ball, may play on an intermediate team.

That a player may not play on two or more teams concurrently.

The question of an annual basketball tournament in the larger centres for the purpose of determining Provincial Champions in the various divisions was favourably discussed. The Executive are taking this matter under advisement. The successful carrying out of this idea would depend upon local sentiment. It has many good features and should not be passed over lightly.

A motion was also passed favouring a meeting in Calgary of officials representing each district for the purpose of discussing the local referees for a discussion of the question of rules. The object of this meeting is to verify refereeing as much as possible.

An attempt to obtain the affiliation of our Association with the Women's Amateur Athletic Federation of Canada met with defeat.

The following officers were elected:—

Honorary President—J. Percy Page, Edmonton.

President—Dr. Baden Powell, Calgary.

Vice-President—W. Tait, Edmonton.

Sec. Treasurer—B. O. Miller, Calgary.

District Organizers,

North—A. R. Lawrence, Edmonton.

Central—F. Gardner, Calgary.

South—C. O. Asplund, Raymond.

South-east—H. G. Teskey, Taber.

Attention should be called to the fact that individual players must be properly registered on forms provided by the Association before participating in league games.

The general sentiment of the annual meeting seemed to be in favor of a general tightening up on the personnel of teams to avoid difficulties which have arisen in the past.

Optimism was to the fore and we cannot help thinking that basketball is in for a period of rapid development. The game deserves every impetus that can be given because it is unquestionably one of our best winter games. We need more people participating in it.

Edison only sleeps four hours a day, but you're no Edison.

An exchange publishes a flowery article headed: Go into a Garden in May. Yeah, that's the time all right. Don't wait until August.

R. H. S. LITES

The opening dance of the R. H. S. was a decided success. The hall was crowded and everyone had a merry time to the tune of the exceptionally good music of the "Kids". The hall was decorated beautifully in the school colors (orange and black). The Grade XII Beauty parlor in the corner added much to the decoration. Many strangers were present and many of the R. H. S. students attended. We are glad you came and we hope in the near future we may all enjoy another of these good times at the R. H. S.

R. S. A. NOTES

The annual Field Day was held on Friday November 15th. Most of the events were keenly contested and while no records were badly shattered the day proved one of great interest. The soft ball game between the first and second year boys was especially lively. The first year fellows worked hard to win an 8-10 victory.

The time in the races was slow due principally to lack of training.

The relay race between first and second year boys was perhaps the outstanding race of the day.

Following is a list of events with the winners:—

GIRLS EVENTS

50 yd. Dash—E. Conlon 2nd yr. First, J. Brown. 1st yr. Second, J. Clark 1st yr. Third.

75 yd. Dash—E. Conlon, 2nd yr. First, J. Clark 1st yr. Second, J. Brown 1st yr. Third.

100 yd. Dash—E. Conlon 2nd yr. First, J. Clark 1st yr. Second.

Relay Race, 220 yds. Second year team, First, First-year team Second team of 4.

Running Broad Jump—E. Conlon 2nd yr. J. Bannink, 1st yr. M. Homink, 2nd yr.

Running High Jump—E. Conlon, 2nd yr. E. Hall, and L. Belts, (tied) 1st yr. J. Clark 1st yr.

BOYS EVENTS

100 yd. Dash—A. Barnett, 2nd yr. First, P. Hawkins 1st yr. Second, H. Demers, 1st yr. Third.

220 yd. Dash—A. Barnett, 2nd yr. First, J. Lybbert, 2nd yr. Second, M. Hawkins, 1st yr. Third.

440 yd. Dash—A. Barnett, 2nd yr. First, I. Roberts, 2nd yr. Second, G. Bachthold 1st yr. Third.

Relay 4 men, 1/2 mile, 2nd year team, 1st year team.

Shot put—16 pounds W. Bennett 2nd yr. 32 ft. First, M. Demers, 1st yr. Second, J. Bannink, 2nd yr. Third.

Baseball throw—W. Bennett, 2nd yr. 102 yds. J. Lybbert, 2nd yr. S. Smith, 1st yr.

Standing Broad—W. Bennett, 2nd yr. 6 ft. 6 in. Carl Lybbert, 1st yr. J. Lybbert, 2nd yr.

Running Broad—W. Bennett, 2nd yr. 18 ft. 6 in. J. Lybbert 2nd yr. I. Hawkins, 1st yr.

Running High Jump—W. Bennett 2nd yr. 5 ft. 5 in. J. Lybbert, 2nd yr. I. Roberts, 2nd yr.

Soft Ball Game—1st year 19 2nd year 8.

Bennett's Shot put, baseball throw and jumps are all very creditable achievements.

Year Standing by points.

Second year.....96 point

First year.....44 point

Individual Champions of the Day

Boys: Wm Bennett, 2nd year

Girls: Rita Conlon, 2nd year

The opening Social which was held on Saturday November 16th, was a success in every way. Perhaps the largest crowd that has ever been at a dance in the school, attended. The assembly hall was packed. It is estimated that in the neighborhood of 30 were present. The proceeds from the dance amounted to nearly \$100.00 which will go into the Students Union Treasury for future use after expenses are deducted. People from Taber, Lethbridge, Foremost, Warner, New Dawn, Milk River, Wrentham, and many other points were in attendance.

The dance was greatly enjoyed by all participants. The lunch was well taken care of by Miss Redig and her girls. The hall was fittingly decorated in the school colors (orange and gold). This work was in charge of Mr. Smith.

We feel sure that functions of this nature are worth while in bringing the school and its activities before a large number of Southern Alberta's young people as well as in providing suitable entertainment for the student body.

Mrs. Longman, Mrs. Gilbert, and Mrs. Asplund ably acted as hostesses. A full programme of like socials are being planned for the winter.

Basketball practice has been under way for the past two weeks. Much good material is shaping up and it is evident that we shall be able to field a good intermediate team in the Provincial League and perhaps a Junior Team.

Everyone about the School is elated over the enrollment which has now reached ninety-three. We feel that

FAREWELL TO G. L. WOOLF AND WIFE

The home of Mr. and Mrs. O. Ray Knight was the scene of a very enjoyable party on Thursday night, Nov. 21, when friends of the family met in a farewell to Mr. and Mrs. G. L. Woolf who are leaving for France where Golden will preside over the French Mission; and also affording the friends of Mr. and Mrs. Knight an opportunity to hear some of his experiences in New York where he recently officiated as a judge at the Rodeo held in Madison Square Gardens.

Mr. Knight was certainly entertaining in his explanation of the arena how the stock was kept in the base meat under the arena and a few side lights on the show; also his recounting his impressions of the big town and the thousands of taxicabs that rush back and forth on the streets. Mr. Knight also gave some interesting information regarding the time in the various events at the rodeo.

G. L. Woolf in a few well chosen words expressed his thanks to Mr. and Mrs. Knight for the lovely party, and to those present for their attendance. He was very surprised at getting the call but was ready to leave and anxious now to be away.

Other numbers were: Reading—Mrs. W. A. Keith, community Singing led by Mrs. O. H. Snow, Vocal Solo—Mrs. A. F. Allen, Humorous letter and one act play read by Miss Charlotte Knight, Remarks by Pres. Allen on New York, Remarks by Pres. O. H. Snow, Remarks by Mrs. O. R. Knight. A reading by Selma Low, and a few remarks by J. H. Blackmore.

Dainty refreshments were served, and this part of the program everyone fully enjoyed.

Those present were: G. L. Woolf and wife, O. H. Snow and wife, J. H. Blackmore and wife, P. H. Redd and wife, S. E. Low and wife, W. A. Keith and wife, T. Geo. Wood and wife, J. H. Walker and wife, Mrs. Miss Heninger, Miss Pearl Heninger, Mrs. J. T. Heninger, C. R. Wing and wife, S. I. May and wife, Pres. H. S. Allen and wife, M. F. Allen and wife, the host and hostess Mr. and Mrs. O. R. Knight and Miss Charlotte Knight.

SUCCESSFUL MEN DANCE

The "M" Men and Gleaner Girls of the Second Ward held a Harvest Ball in the 2nd Ward Chapel on Wednesday evening, Nov. 20th, and everyone had a very enjoyable time dancing to the music of the Canadian Kids. Refreshments were served and about 200 were present.

this is the best kind of an argument for keeping the school open. The feature is that more especially encouraging is that we have a great number of students from Southern and eastern districts that formerly have contributed few or none.

Mr. Cook of the Department of Public Health, will be here to lecture to the students on Wednesday. Members of the staff are pleased to welcome Mrs. Longman's mother, Mrs. Barber back again Mrs. Barber has spent the past two years in Ottawa.

Mr. Chas. Giffin of the Department of Agriculture Offices, in Lethbridge, is busy giving a course in Irrigation. He hopes to complete his work by the end of the week.

The five Hereford steers recently purchased from the McIntyre Ranch have arrived and are being introduced to their new surroundings. The calves are being fed with the idea of fitting them for the Royal next fall. We hope to be able to demonstrate what can be done with properly selected animals on the feeds which are obtained in the district.

Walker and Atwood received twenty Oxford lamb runs today from the school flock. This is a beautiful bunch of lambs. They are to be used with fine-wooled ewes for the production of feeder lambs. We have also disposed of a large number of Tamworths of both sexes for breeding purposes.

A Junior sire for our Holstein herd has just come from the Oliver Farm. Students elections are being held on Friday. Considerable interest is manifest in this event.

Mr. Donald Douglas Provincial Farm Director is a visitor today.

THE GRAVEL DRIVE

My Home Town I always will love
Thee,

Your glory will never grow old;
There is no place so dear to me,

As the spot that never grows old.
No matter what the future may bring

me,
No matter whether fortune smile or

frown;

In any place you ever chance to find
me,

I'm a booster for my own Home
Town.

The gravel drive now on gives every
man a chance to show his love for his
home town and while the response
has not been 100 per cent, as good as
we would like to see, it is very com-
mendable to see those who are put-
ting in their time in such a worthy
cause.

The graveling by donation is a
cause of considerable discussion and
comment both pro and con and var-
ious solutions are offered. There is
much to be said on both sides of the
question.

The proposal that is most often
heard is that the taxes be raised
sufficient to place \$2,000 a year or so
at the disposal of the Town Council
for road work, and then let them pay
so much per yard for hauling every
fall. This would accomplish one end
that is not being accomplished now.
It would even up the road problem,
whereas now, only 35 to 50 per cent
of our citizens put forth effort enough
to do a little road work. It would also
be an impetus to idle men and teams
to make the \$5 or \$6 per day that
would accrue therefrom.

On the other hand much can be
said in favor of the present system. In
the first place it gives every man an
opportunity to render some public ser-
vice and no town or community is any
larger than the public spirit of the
citizens who make it up. When a man
will turn out day after day donating
labor, furnishing teams and building
road that does not come close to his
property, we admire such a man and
cannot help but say he is a builder
who has a vision of the future. He can
see far enough to realize that every
gravelled street in the town makes
his property worth just that much
more. Every foot of dirt that a man
puts on a road free of charge, increas-
es his interest in the road; whereas if

he were being paid for each and every
load, he would take his money and for-
get the road.

There you are. What shall we do?
It is not fair to ones who donate their
work every year to build good roads
for those to enjoy who never do a
thing to make them better. On the
other hand, if you raise taxes to do
this work you are placing a burden on
many who can ill afford to pay it,
and of more importance than this, we
are dwarfing the spirit of public ser-
vice without which no community can
progress and grow.

We must have good roads. The
world is wide and new business and
new citizens are not going to come in
to a town where every thaw and every
storm means seas of mud. And they
are not going to locate in a town
where everyone is so self-centered that
every \$1.00 worth of en-
ergy they expend means five for me.

Come on Raymond. We've started
well lets keep going. Look above the
"Let George do it," attitude and build
up a spirit of public service that will
be a magnet to prospective settlers.

OUR HIGH SCHOOL

Just how much more valuable is
the boy and girl at the end of each
Grade as he or she goes through High
School?

Can anyone estimate or fully ap-
preciate the handicap that a young
person is under who does not have
this opportunity?

Today, more than ever before in
the history of the world, the demand
is for technical education. Specialists
in every field of art, thought and lab-
or. Fewer and fewer as the years go
by are the jobs that can be had by
"the blind alley workman." Always
at a big disadvantage is the man or
woman who is untrained in some par-
ticular line.

In view of these facts, and much
emphasis on the need for education,
and the broad and secure foundation
that our High School curriculum off-
ers.

True, there are many points incon-
nection with the course that may be
criticized. There are things that may
with profit be omitted and other courses
added, but where are we going to
start.

The boys want manual training, prac-
tical experience in joining, fitting,
engineering, and the huddled and one
other things that appeal to the boy.
Girls want domestic science, stenograp-
hy, millinery nursing, and what not
that appeals to the feminine sex. But
where one school must serve all the
high school students of the community
certainly, a curriculum cannot include
all of these.

And without higher mathematics
such as Trigonometry, Algebra, etc.,
an acquaintance with Shakespeare,
Milton, Ruskin and the other masters

of English, History, Physics, and the
other High School studies, a person
specializing in many of the fields re-
cognizing to youth, would be the ex-
pression may be compared, like a bull
in a china shop.

So we say, in view of the fact that
the High School course can be com-
pleted at the age of 17 or 18, if fin-
ances will possibly permit, let the
youth of the land finish the four year
High School course. Then, if they de-
cide to specialize, their capacity for learn-
ing is greater, their progress will be
more rapid. And, though they may
resent it now, they will some day rise
up and call you blessed for using your
influence to give them the advantage
of High School.

INDIGESTION

Indigestion is a much-abused term
and has no definite meaning. It is a
word in general use to describe any
uncomfortable feeling which the suff-
erer attributes to the stomach or some
other part of the digestive system.
The true condition may be an ulcer of
the stomach, inflammation of the
gall-bladder, chronic constipation,
chronic appendicitis, or some one or
other of the many conditions which
cause what is popularly known as in-
digestion.

Unfortunately because indigestion
is a common complaint it is very
often treated lightly, and the genera-
tendency is for the sufferer to dose
himself with laxatives or try one of
the many types of diet which his well
meaning, but medically ignorant friends
will offer as a cure. Soda is often
taken in large amounts, regularly or
frequently, by numbers of persons
with the idea that their trouble lies in
the presence of too much acid in their
stomachs. If digestion is to take place
in the stomach, acid must be present,
and large doses of soda merely inter-
fere with normal digestion.

In certain cases, bran and roughage
in the diet are desirable in order to
overcome constipation. If the diges-
tive organs are irritable, it is most
likely that a smooth, soft diet is what
is required.

These points are mentioned in order
to make clear that the proper treat-
ment of indigestion depends, first of
all, upon finding out the cause. If this
is not done actual harm results, and
the condition tends to become chronic
and increasingly difficult to treat.

The whole trouble may be due to
bad habit of eating. Eating too quick-
ly, washing down food with fluid in-
stead of chewing it properly, swallow-
ing of air as a result of gulping of
food. In such cases, the trouble will
be corrected by establishing proper
eating habits. If there is inflammation
or ulceration of some part of the
digestive system, this, of course re-
quires suitable treatment, and con-
stipation is dealt with by regulation
of diet and habits, not by drugs.

A BAD COLD—PERHAPS

Joan and Mary always walked to
and from school together. Now Joan
was on her way to call for her little
chum. They had almost quarrelled
the afternoon before, Joan couldn't
understand it, usually Mary was so
even-tempered. This morning Mary
was not dancing along to the gate to
meet her as when she knocked at the
door, Mary's mother told her that
Mary had a bad cold, was in bed and
would not be going to school for a few
days. "Can I see her, please, Mrs.
Jones?" "No, Joan, I am keeping
Mary all by herself until we see what
is going to develop. It may be just a
bad cold, or it may be measles, chic-
ken pox, scarlet fever, or oh! almost
anything. You see so many serious ill-
nesses begin with just a BAD COLD
and it is much easier to isolate Mary
and watch her, than to nurse a whole
household, down with a contagious
disease.

Mrs. Jones was a modern mother
who read health literature, subscribed
to magazines that published articles
on the bringing up of children, was
eager and was decided in her opinion
that PREVENTION IS BETTER
THAN CURE.

So do you watch that bad cold in
child or adult. It pays.
